The official newsletter of the Salina Region SCCA

Regional Executive Views

As I mentioned in the last newsletter we have a big event coming June 3rd and 4th. This is the Salina Divisional – our round in the SPS/R&S Midwest Division Solo Championship – and we will need a lot of assistance from our members.

It's also important to have as many Salina Region members as are able compete in the event and present a good showing to the rest of the division. But the best reason is just to enjoy the fun on another level. You can enter either Saturday or Sunday separately, or both days. In one sense, it's "just our June autocross," but also you get to experience and enjoy a larger, more structured event. It's pre-entry only, no walk-ins, and you need to be there a little earlier than usual. Check the schedule on MotorsportsReg.com (find the easy link from the Salina Region website).

If you missed it, Jim Harrison from the Wichita Region will be at the Divisional on Friday night to put on a Safety School for all those who would like to become a Solo Safety Steward. The safety certification is good for three years now so this is a great time to get your certification.

At Divisional Championships and at Tours and Nationals, everyone in a class runs together. If you

noticed in the last newsletter we have adopted run groups for our local events to also keep classes together. We have had requests to do such so the board decided to give it a try. So now everyone of a class will run together to help eliminate any potential differences from running different heats. It was tried for the first time at our May autocross.

These run groups will switch each event so one class will not always run in the first or second heat. That way we all get to run in the monsoon or the 105-degree heat together. Let us know how you like the setup, and if there is anything else we can do to make our events more fun.

See you on course,

—Monte Rans, RE Salina Region

New SCCA Prez is an autocrosser

TOPEKA, Kan. (May 15, 2017) – Michael Cobb, a member with more than 25 years of diverse experience transforming brands, companies and cultures, has been chosen unanimously by SCCA's Board of Directors to be the new President and Chief Executive Officer of SCCA. Cobb will officially embrace his new role June 1 with the Club.

The Dallas-area resident comes to the SCCA after serving as chief marketing officer for Gold's Gym, one of the most recognized names in fitness. During his tenure at Gold's Gym, Cobb leveraged his marketing, business development and operations leadership skills to help reposition the company, expand the brand's footprint and deliver new products that capitalize on emerging consumer trends.

Lee Hill, Chairman of SCCA's 13-member Board of Directors, said Cobb emerged as an extremely strong candidate from seven finalists considered for the position.

Prior to Gold's Gym, Cobb established a strong track record developing and operating several different agency business units for Omnicom, one of the most dynamic marketing communication companies in the world. He has led marketing efforts for brands such as Pizza Hut, Burger King, Pepsi, Lipton, KFC, Dannon and Frito-Lay. He has shown a particular knack for "activating" brands and businesses with solutions that attract customers, inspire stakeholders, create community and drive growth. Cobb graduated with a bachelor's degree in advertising from Sam Houston State University.

While Cobb arrives at the SCCA with fantastic professional credentials, he also brings with him a love of motorsport. He grew up in admiration of his father, an autocrosser who won local SCCA events with regularity. Cobb established his competition career at an early age by winning a Texas Soap Box Derby event, and competed in the Nationals in Akron, Ohio. In 2007, he began participating in SCCA autocross with the Texas Region, claimed the Novice of the Year award in his first full season. He competed in the Tire Rack SCCA Solo Nationals in 2008 driving an Audi TT in D Stock.

"Of course, the thrill of competition and having fun with cars is a big part of the SCCA lifestyle," Cobb noted. "The camaraderie and relationships built through club activities are a huge part of the equation, too. I am just as passionate about building relationships based on trust, respect and integrity as I am about winning my class at the next autocross event."

HERE I COME TO SAVE THE DAY!

MIGHTY MOUSE

Randy Puls took over the May event, and most Salina Region members know his affinity for Mighty Mouse, which flies off the doors of his Miata. But then this season Randy has been campaigning his Corvette, and even spouse Susan, who'd raced the rodent in the first three events, left it home on this day.

Four classes featured tight competition, with the top two in each separated by less than a second, but none as much a nail-biter as STO4 in which newcomers Dennis Kanapsky and Matt Snyder brought a Miata from Manhattan and after six runs ended up separated by just 0.006 of a second. It looked like Snyder's event as he ran off a tight grouping of mid-60s, his best a third-run 64.924. He followed it with a 63 but it had a cone. Co-driver Dennis Kanapsky spent his runs working steadily down from the high 60s and finally clocked a 64.918 on his next-to-last attempt. His final shot was also a cone-marred 63.

H Street renewed the ongoing duel between Don Herrick's Fiesta and Abner Perney's Volt. It was over early, Herrick setting his winning 60.552 on his very first run, then Abner clocking 60.919 in his second try. The 0.367 sec margin stood up as the pair began assaulting cones.

STS produced a final margin of 0.858 sec, Mike Herrick over Monte Rans while young Conner Herrick got his first drive in a real car, running within eight seconds of dad (if you ignore that pylon).

B Street produced the fourth close one, with Randy Puls on the wrong side of a 0.891 gap behind Jason Stockton.

Radlee Bien set FTD at 49.051 in his F Mod Red Devil, the only driver to break 50 seconds. Mark Hill posted FFTD at 52.845 in his STU Mitsubishi, the only driver to break his motor in the attempt (sorry 'bout that, Mark; hope you get it back together soon!). Sharon Brillhart ran off a string of low 60s in her Miata then broke through with a pair of high 50s, taking Fast Lady at 58.834, the only distaff driver to break 60 sec.

SCCA Membership notes:

The categories of SCCA membership are somewhat confusing. In order to be eligible for all the programs of SCCA you need to be a National member, which includes a "local" region of your choice. This becomes your Region of Record.

Normally your R.o.R. is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points, receiving newsletters and participating in their programs. These are "Associate" memberships. Salina Region's Associate Members are eligible for all our championships and benefits.

The final option is to simply pay local region dues, in which case you are merely a newsletter subscriber, and not eligible for Regional awards, Divisional points or to compete in major SCCA events.

If you live in Manhattan, Ft. Riley or Junction City and have enjoyed competing in or attending our events, we'd love to have you become a member of our happy little club. If you should choose to join SCCA in our Region, be sure to use the membership form found in a Write Line or be sure to indicate "SALINA REGION" in the space above the signature. Geographically, Riley and Geary counties are in territory of our Kansas Region neighbors and SCCA will put you there if not told otherwise. Of course, once an SCCA member, you're welcome at any region's events. You'll find a listing of our neighboring regions' events in the "Events Elsewhere" calendar inside.

**Associate memberships are due now for the year 2017 . . .**

- Associate memberships are for the calendar year provided your National membership is active. Join now, and your membership begins immediately and runs through 2017. Dues are \$15.00 for single memberships or for family memberships (which includes spouse).
- Subscriptions are available for non-SCCA members also at \$15.00 per calendar year. Please send a check payable to the Salina Region SCCA, c/o *The Write Line*, 2731 Scott Avenue, Salina, KS 67401.
- A code in the corner of your mailing label indicates status. A code like 09-17 indicates a Region-of-Record member expiring at the end of that month. **A code such as A17 or FA17 indicates an Associate Member expiring at the end of that year.** A month indicates someone not a member of Salina Region who ran with us at a recent event or asked for a newsletter. Other codes refer to complimentary copies being sent this year.

You must be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Weekend Memberships (we charge \$5). Find more information at www.salinasccla.org, www.scca.com, or call Salina Region membership chair Rocky Entriken at 785-827-5143 or e-mail rocky@spitfire4.com.
