

1. Points will be scored at all of Salina Region's Regional Solo events (also referred to as "local" events, including the R.E. Challenge at Yoder). Points also will be scored at the MiDiv Solo Series Divisional in Salina June 8-9 and at the SCCA Solo Nationals in Lincoln, Neb. Sep. 2-6 (*NOTE: for 2019 that is 12 local events, plus a Divisional event and the Nationals, total 14 events.*)
2. Points will be scored for every driver at each Salina Region event on the basis of: 12-9-7-6-5-4-3-2-1 for the top nine drivers. Any driver placing 10th or lower will also receive one point.
3. Points will be compiled at year-end only for Salina Region members. Drivers eligible for the Salina Region Solo Championships must be Salina Region members (Region of Record or Associate) by the end of September. Weekend Membership does **NOT** satisfy this requirement.
4. To encourage participation in a Divisional Championship event conducted by Salina Region (if held) and the SCCA Solo Nationals, those events will score regular points as in Item 2 above, plus competitors will score a bonus of up to 10 points for every car they beat. For example, a driver placing 15th at Nationals (1 point) in a 28-car class will score a total of 11 points; a driver placing 4th (6 points) in a 5-car class will score a total of 7 points.
5. Of the possible 14 events that can be scored in 2019, the best 10 will be counted. A driver must score points in a minimum of four local Salina Region events, which includes the R.E. Challenge event at Yoder, but does not include the Divisional at Salina because it is a bonus event. (*NOTE: the throw-out total is calculated by taking the Nationals, our Divisional when held, plus two Regional events.*)
6. One car makes a class. Cars must be legal for the class entered.
7. A driver may compete only once for points at any event. Second-entry runs (fun runs) will not count for points and will not take positions away. The first class in which a driver competes is the class in which points are scored.
8. A driver competing in more than one class during the year will score points in each class separately.
9. Drivers competing in three or more classes through the year will be considered for the "Wild Car-d" awards. Points scored in Wild Car-d will be those scored in the regular class. Wild Car-d award winners cannot be an award winner in any other class.
10. Ties for awards will be broken first by going to the driver who scores the most wins; second to the driver who beats the other the most in head-to-head competition. If still tied, it will stand and duplicate awards will be given.
11. Should a driver qualify for championship awards in two or more classes, one award will be given representing the highest placing with all qualified-for classes listed thereon.

### **-PAX Champion-**

A separate championship award will be given to the driver with the top overall PAX score through the season. The score is determined by an event's driver with the top PAX receiving 100 points, 2nd receiving 99, 3rd receiving 98 and so forth. The best nine events will be counted, including a Divisional if held, but not Nationals. If at an event two or more drivers have an equal PAX score, they shall receive the same points with the next corresponding points position(s) left blank.
