This is now an official ranking of PAX scores from Salina Region events. There will be a PAX Champion at season's end. All Salina Region events are included, including the Yoder event in the R.E. Challenge, but not Nationals (not gonna score 1300+ drivers!), nor Mirror Khana if we do one (no tmes to index against). Top PAX at each event gets 100 points, next gets 99, then 98, 97, etc. In the event of a PAX tie at any event, both/all drivers will get the higher score and the next position(s) will be left blank. A driver's three lowest scores will be thrown out; low scores will not be counted until the fourth event. You do not have to stay in the same class all year. All drivers are scored but after Sept. 30 only Salina Region members will be listed below.
