Our “Beat the Heat” event was definitely a hot one. With temperatures hovering around 100 it took lots of liquid to keep us going. A huge thank you to all that helped to create this event and give us a chance to drive with Salina’s finest. I am sure the next time they drive by one of our events there will be an understanding as to what we are doing, and maybe they will even join us in the future to drive again. We will have a tally soon as to the donation we will be providing to the Salina Police Department Excellence Foundation.

We are not directly funding the PD, city budget does that, but the budget cannot buy everything on the wish list. Such as a state-of-the-art training simulator which had a 6-figure price tag installed at the SPD training facility at the Salina Airport. The Foundation raised funds for that purchase.

Our next event at Berkley Family Recreation Area will not be until Sept. 12. This is because of the Lead Sled Spectacular held there in July and the placement of concrete jersey barriers required for their event. So for us, it’s time for the Sunflower Solo Showdown – a three-event challenge between the Kansas, Wichita and Salina Regions.

So our next official event is in Topeka on July 11. This is the first of the three Sunflower Solo Showdown events, followed by Wichita’s round at Yoder Aug. 1, then Salina Sept. 12. Also, these are all points events for each region’s

championship, so plan on attending to support your club and gaining valuable points for year end awards.

With the elimination of paying entry fees on site, once you arrive all that is needed is to sign the waiver, (if you do not have an annual hard card) and check in. Additional processes are being developed to make the process even faster so look for future changes. You may also notice (if you register day of the event) that there is a late registration fee that will start at midnight the night before the event. Early registration is highly recommended to provide time to create work assignments and heat balancing if necessary. Late registrations create potential delays in starting the event on time. This was a practice in the past that is being renewed to encourage early registration. So, register early but know that registrations can be taken up until 9:30 am the day of the event. Registration is open for the September event so sign up early.

See you on course,
—Monte Rans, RE Salina Region

MEETING MINUTES

(Subject to correction and approval at the next Salina Region board meeting)

The Salina Region SCCA board met June 20, 2021, at Moka's Café. Monte Rans, RE, called the meeting to order at 3:27pm. Attending were Monte Rans, Colton Maxwell, Bailey Martin, Abner Perney, Teresa Walton, Aaron Loggan, Rocky Entrién, and Nancy and Dennis Smith. The last meeting's minutes were approved.

Old Business - Rocky bought 1000 miniature stickers with the Salina Region logo.

New Business - Monte said the late fee will be enforced for the next event. At midnight, the night before an event, the registration fee will rise \$5.00.

Theresa will research insurance options on the trailer and its contents.

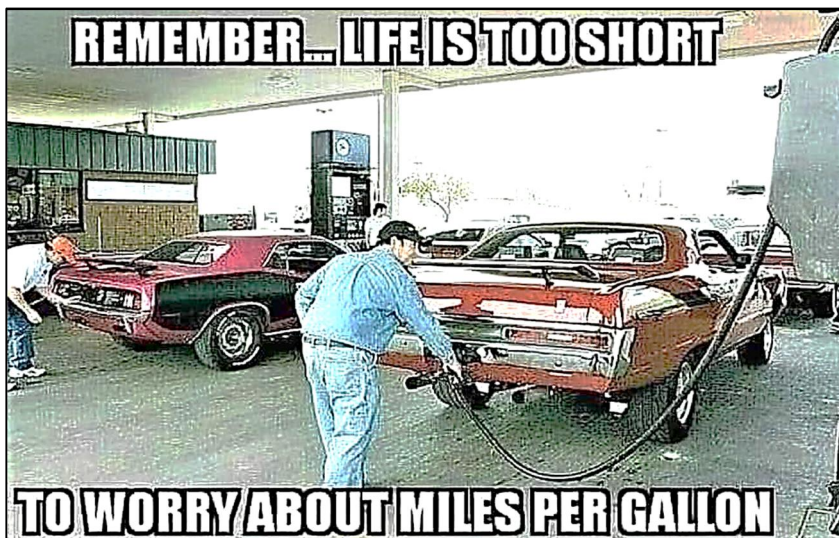

The swing up doors on the trailer need to be replaced. Dennis will try to fix them between now and September.

Dennis said he got contact information for someone at the police station that he can reach out to about getting new radios.

Theresa took home the yellow timing display to try to find out what's wrong with it before the next event.

Meeting was adjourned at 3:53pm.

Submitted: Bailey Martin, Secretary

SUNFLOWER SOLO ~ THREE REGIONS HEAD-TO-HEAD

The next three Salina Region events – two of them travel events – comprise the 2021 renewal of the Sunflower Solo Showdown. Kansas Region, Wichita Region and Salina Region going head to head for region glory.

July 11 is Kansas Region's round in Topeka at Heartland Motorsports Park (Registration is open now online at motorsportreg.com). This is a weekend SCCA extravaganza, not just a round in the SSS, but an opportunity to experience several SCCA offerings. Go down Friday and spend the weekend!

Friday, July 9, is a Track Night in America round. You can lap Heartland Park in your autocross car. Your regular solo-legal helmet is all the gear you need.

The weekend is also a MidAm Championship road race. Try working a race. Volunteer to flag on the corners or get up close to the race cars setting up the grid on Saturday (Sunday too when you're free).

Kansas Region is actually doing a 2-day solo, two separate events. Only Sunday counts in the Showdown, but you can enter both days.

August 1 is Wichita Region's turn at their Sunflower Aerodrome site near Yoder, same place they put on their MiDiv Solo Series event. Their site is much like ours but a bit wider.

September 12 the Showdown comes to Salina at BFRA. It's the weekend after the Solo Nationals, which we've used the past several years quite successfully.

A scoring system takes the finish of every driver affiliated with one of the three regions into account. If a driver is a member of more than one of the regions, Region of Record takes priority.

All three rounds count in Salina Region's Championship, as they also do for our two neighboring regions. Make the trip! Help score for Salina Region.

GET READY FOR THE SOLO NATIONALS!

The SCCA Tire Rack Solo Nationals are back!

After the 2020 event was cancelled because of the COVID-19 pandemic, the nation's cone killers return to Lincoln, Neb.,

to wreak havoc upon defenseless, unsuspecting pylons for a 48th time.

2018 was the record entry, 1375 drivers. In 2019 the entry was capped at 1300, which filled up in about 24 hours and the waitlist pushed past another 50, but by the entry deadline in late August cancellations left the final total at 1274.

Then, last year COVID struck and because so many were unsure about the situation, registration had been open a full month with only 672 drivers signed up before SCCA announced the cancellation.

This year is expected to be back to normal. Or something closely approaching it. Tier 1 registration opened June 23 for 2019 champions, event chiefs and 100%ers. Tier 2 for 2019 podium finishers, non-champ class winners and the Silver Circle (25-year competitors) opens June 30. All that is expected to collect some 200 drivers.

The land rush begins July 7, 3 pm CDT, for everyone else.

If you think you *might* be able to go, sign up. Get in early or you may not get in at all. Entry fee is \$195. If you need to

cancel, you get a full refund prior to Sept. 3.

So what do you have to do to qualify for Nationals? Are you an SCCA member? Do you have a profile on

MotorsportReg.com? That's it. You're qualified.

Think about it: 70-some drivers will win championships, a couple hundred will take trophies. Who are those other 1000 drivers? They are you and me, there enjoying the experience. It's a week-long party, the solo community family reunion with 1300 of your closest friends, and there's an autocross too. Two of them, in fact.

You'll compete two days, one course each day, either in the Tuesday-Wednesday group or the Thursday-Friday group. Your class may be 10 cars or 60 cars and you all run together.

Wednesday or Friday evening there's some kind of celebration – in the past a sit-down banquet but with COVID protocols that may be modified.

Other wacky things could happen. Cookouts. Tricycle races. Maybe a talent show. Or explore Lincoln, which is a college town with lots of themed restaurants and other entertainment. Solo Nationals is a vacation trip every autocrosser should do.

BEAT' THE HEAT'

Among them was the closest contest of the day, Theresa Walton winning ES (and Fast Lady) by just 0.013 sec over Henry Brillhart, with the top three cars in the class all within 0.681 sec.

Wyatt knew this maxim before racing was invented

**"Fast is fine but accuracy is final.
You must learn to be slow in a hurry."**
 -Wyatt Earp

At any given race track there is always "that guy" who is a hobby racer that will never win a race yet will work endless hours and spend money he doesn't have to race anyway. God bless that guy, because our sport would really suck without him. —Anon

SCCA Membership notes •••

If you are a Region-of-Record member of Salina Region, the code on your mailing label (such as RR 02-22) is your expiration date.

National membership includes a "local" region of your choice. This becomes your Region of Record. Normally your RoR is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points and participating in their programs. These are "Associate" or "Dual Region" memberships (coded A or FA). Salina Region's Associate Members are fully-vested members eligible for all our championships, voting rights, region offices and other member benefits. Associate membership only means region-of-record is elsewhere.

You must be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Trial (free) and Weekend (\$15) Memberships. More information is available at www.salinasc.ca.org, www.scca.com, or call Salina Region membership chair Rocky Entriken at 785-827-5143 or e-mail rocky@spitfire4.com.

Associate memberships •••

- Associate Memberships in Salina Region expire concurrent with National and Region-of-Record memberships. All Associate memberships paid direct to Salina Region are notified to SCCA Membership and expire on their National expiration date. Associate members are fully-vested members of Salina Region, although their Region-of-Record is elsewhere.

- Annual dues are \$15.00 both for single memberships and for family memberships (which includes spouse).

- To become an Associate Member of Salina Region, contact SCCA Membership (call 1-800-770-2055) and ask to be included as a member in Salina Region. The Region's dues will be paid at that time and added to your renewal fees.

- Or, at renewal time, renew online and you will find an option to "Add Region." Scroll down to find Salina Region in the drop-down menu.

- If you choose to pay dues direct to Salina Region (for example, at an event), we will notify SCCA and your Salina Region membership will become part of your National membership renewal.

- Mailed subscriptions to The Write Line are available for non-SCCA members at \$15.00 per calendar year. Or, subscribers may choose to receive issues as a PDF document by e-mail blast, just let us know.
