As I sit here writing my second-ever REV, I now know things are getting serious. It's less than a month away from our first event, Test & Tune on the 19th followed by our Solo Event on the 20th. With the transition of many new board members and duties, please bear with us as the signup for the weekend event will be up soon. Keep a lookout on motorsportsreg.com and we will keep the website and Facebook pages updated as soon as possible.

On the subject of Solo Events, there are many future events that don't currently have an event chair. We would love to see some different courses with elements. If you would like to create a course please feel free to contact Kale to sign up (contact info on Page 2).

This year's awards banquet was quite the hit being at the District Eat & Play. I think a lot of people agree with me (and the place's manager) that the banquet food should be on the regular menu. Thank you everyone who attended as well as everyone who helped put this event together.

There was talk about hosting next year's event at the new car museum in downtown Salina, called The

Garage. That might be something to consider and will finalize at a future date.

With the first event approaching soon, is your vehicle ready? New tires? Alignment? Maybe an all new vehicle? I can answer almost all of those with a yes 😊. The All-Trac will be getting an alignment and there might be another mid engine vehicle at events later in the year. We can talk about that later....

I know with everyone's busy schedules, it is hard to make it to every solo event, but I hope to see everyone try to make it out to as many as possible. See you all at the races. Thanks

—Andlee, RE Salina Region

MEETING MINUTES

(Subject to correction and approval at the next Salina Region board meeting)

The Salina Region SCCA board met Feb. 12, 2022, at District Eat & Play. Andlee Phengphachanh, RE, called the meeting to order at 5:17 p.m. Attending were Hank Brillhart, Rocky Entriken, Aaron Loggan, Abner Perney, Dennis Smith, Jason Rash, Artt Mann, Kale Morris and Sharon Brillhart..

Minutes of the Jan. 5 meeting were approved, Dennis motion, Hank second.

Treasurer's report was not available.

Old Business: Congrats to the 2022 officers and at large members. Thank you all for stepping up.

Novice program was brought up again as a quick discussion. More information is needed to officially add it to the Salina Region. Most likely will be next season if it is to be added to the classes.

New radios have been ordered but are not in yet. Dennis said they will possibly be in within the next month.

Dennis was going to look into the trailer to see what necessary repairs or maintenance needed to keep it in working condition. The plexiglass was the main issue.

Forty cones have been ordered and are now in our possession. They do not have the SCCA logo on the cones but it was decided it was OK to move forward using them without the logo.

Live timing will need more information gathering to make a decision. In the past a hot spot on someone's phone was used but an independent mobile hotspot might be needed to not tie up a person's phone.

New Business: There was a bit of email spam going around claiming they were Andlee. Andlee's email will have a simple Signature at the end of the message "Andlee." Be cautious and aware of any spam email coming from the board members. Jason brought up a way on the website to make it harder for spammers to get personal information. That will be something to look into and get back to on the next meeting.

With the transition of officers, Theresa (former

MEETING MINUTES

Continued from Page 2 ►►► treasurer) and Sharon are to get together and exchange information. Tax forms and charter renewal were the main concerns and were to be taken care of the following day by Sharon.

The Salina Regions website is now mobile friendly, thank you Jason. It was discussed if it was something to be changed back or if it was OK to keep it mobile friendly. Nothing came of the discussion to change it back.

One main subject was promoting the Salina Region. Things like discounts to an event, having a table and flyers at a cars and coffee. Rocky spoke about sending out a small magnet with the years schedule as well as a Salina Region sticker to some that only attended one event. Andlee spoke about possibly having T-Shirts made for the year with a vehicle or Salina Region on the front and the schedule on the back. Andlee will try to look into this and follow up at the next board meeting.

Meeting adjourned at 6:00PM

Submitted, Andlee Phengphachanh

WELCOME NEW MEMBERS

- **Mike Alberding**, Needham MA, ran with us several times last year in his SS Corvette. This year he wants the championship. Also a member of New England Region.
- **Craig Andernacht**, Basehor, is region-of-record in Kansas City Region but joined us at the same time. We look forward to meeting him at our events.
- **Scott Loesch**, Norwich, has a Goblin Track Roadster he runs in E Modified.
- **Brandon and Crystal Moreland**, Wichita, have joined with a family membership. We look forward to meeting them at our events.

Evo SCHOOL REGISTRATION IS OPEN

Want to be a better autocrosser? Then you want to sign up for Salina Region's first Evolution Performance Driving School since 2019.

Registration is open now on MotorsportsReg.com, and already about a dozen drivers are signed up for the April 8-9-10 weekend..

The easiest link is to go to **evoschool.com** and scroll down the home page calendar to find "Evolution School Weekend with Salina Region SCCA."

As usual, we're doing three schools – Phase 1 (basic) on Friday, Phase 2 (advanced) Saturday, and the Challenge School (can you beat your instructor?) on Sunday. To know more about what each school is, check the MSR and/or Evo School websites.

The student/instructor ration is 6:1, Depending on how many sign up, Evo will end as many top-caliber instructors as we will need, many of

them past national champions.

One school is \$275, two is \$500, and you can do all three for \$730.

Schools go on rain or shine – or snow. A few years back we had an April snowstorm blow across Kansas during the Phase 2 school. It may have been one of the best schools we had. Driving in adverse conditions students learned so much.

You use your own car. Leave those fresh tires home, you could use them up in a weekend, and most autocrossers agree you'll learn more on less sticky rubber.

* * *

The Evo weekend is also our annual doubleheader Solos, one on Saturday and another Sunday at the south end of our site. A short course is often a 2-lap run. We don't recommend trying to do both school and autocross (it's been done), but if you do an early school, stay to try out your new lessons!

Fred Johnson

Frederick William Johnson passed away peacefully at his home Jan. 25, 2022. Fred was born in Ellsworth, graduated from Ellsworth High School, and retired from the

Union Pacific Railroad. He was a member of Sacred Heart Cathedral, Kansas Air National Guard, Central Kansas Corvette Association, Sports Car Club of America and SCCA's Salina Region, and the United Transportation Union.

His love of cars and racing took him many places and he met some great people along the way. His last Salina Region championship was winning Super Street-R in 2015.

Surviving are his wife, Jean of Salina; daughters Nichole Kennedy and Jessica Johnson, Kansas City, MO; two sisters, two brothers, Lionel and Frank, and two granddaughters.

The Salina Region Solo Championship ~ 2022

1. Points will be scored at all of Salina Region's Regional Solo events (also referred to as "local" events, including the Sunflower Solo Showdown events at Topeka and Yoder). Points also will be scored at the SCCA Solo Nationals in Lincoln, Neb. Sep. 5-9.

2. Points will be scored for every driver at each event on the basis of: 12-9-7-6-5-4-3-2-1 for the top nine drivers. Any driver placing 10th or lower will also receive one point.

3. Points will be compiled at year-end only for Salina Region members. Drivers eligible for the Salina Region Solo Championships must be Salina Region members (Region of Record or Associate) by the end of September. Weekend Membership does **NOT** satisfy this requirement.

4. To encourage participation in a Divisional Championship event conducted by Salina Region (if held) and the SCCA Solo Nationals, those events will score regular points as in Item 2 above, plus competitors will score a bonus of up to 10 points for every car they beat. For example, a driver placing 15th at Nationals (1 point) in a 28-car class will score a total of 11 points; a driver placing 4th (6 points) in a 5-car class will score a total of 7 points. The Divisional will be scored as two separate events for region points, but the bonus will be calculated only on the two-day result.

5a. Of the possible events that can be scored in 2022, the number to be counted will be the total of local events plus the Nationals, minus the worst three. (We are not doing a Divisional in 2022.)

5b. A driver must score points in a minimum of four local Salina Region events, which includes the Sunflower Solo Showdown events at Topeka and Yoder, but does not include the Nationals because it is a bonus event. (NOTE: the throw-out total of three or four events is calculated by taking the Nationals, our Divisional when held, plus two Regional events.)

6. One car makes a class. Cars must be legal for the class entered.

7. A driver may compete only once for points at any event. Second-entry runs (fun runs) will not count for points and will not take positions away. The first class in which a driver competes is the class in which points are scored.

8. A driver competing in more than one class during the year will score points in each class separately.

9. Drivers competing in three or more classes through the year will be considered for the "Wild Car-d" awards. Points scored in Wild Car-d will be those scored in the regular class. Wild Car-d award winners at seasons end cannot be an award winner in any other class.

10. Ties for awards will be broken first by going to the driver who scores the most wins; second to the driver who beats the other the most in head-to-head competition. If still tied, it will stand and duplicate awards will be given.

11. Should a driver qualify for championship awards in two or more classes, one award will be given representing the highest placing with all qualified-for classes listed thereon.

PAX Champion – A separate championship award will be given to the driver with the top overall PAX score through the season. The score is determined by the top PAX receiving 100 points, 2nd receiving 99, 3rd receiving 98 and so forth. All local events will be counted including the Topeka and Yoder rounds and each day of a Salina Region Divisional if held, but not Nationals. The three lowest PAX scores will not be counted. If at an event two or more drivers have an equal PAX score, they shall receive the same points with the next corresponding points position(s) left blank.

SCCA Membership notes •••

National membership includes a "local" region of your choice. This becomes your Region of Record. Normally your RoR is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points and participating in their programs. These are "Associate" or "Dual Region" memberships. Salina Region's Associate Members are fully-vested members eligible for all our championships, voting rights, region offices and other member benefits. Associate membership only means region-of-record is elsewhere.

You must be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Trial (free) and Weekend (\$15) Memberships. More information is available at www.salinascga.org, www.scca.com, or call Salina Region membership chair Rocky Entriken at 785-827-5143 or e-mail rocky@spitfire4.com.

Associate memberships •••

- Associate Memberships in Salina Region expire concurrent with National and Region-of-Record memberships. All Associate memberships paid direct to Salina Region are notified to SCCA Membership and expire on their National expiration date. Associate members are fully-vested members of Salina Region, although their Region-of-Record is elsewhere.

- Annual dues are \$15.00 both for single memberships and for family memberships (which includes spouse).

- To become an Associate Member of Salina Region, contact SCCA Membership (call 1-800-770-2055) and ask to be included as a member in Salina Region. The Region's dues will be paid at that time and added to your renewal fees.

- Or, at renewal time, renew online and you will find an option to "Add Region." Scroll down to find Salina Region in the drop-down menu.

- If you choose to pay dues direct to Salina Region (for example, at an event), we will notify SCCA and your Salina Region membership will become part of your National membership renewal.

- Mailed subscriptions are available to non-members, \$15 for the calendar year.

E-mail or U.S. Mail?

If you received the e-mail version but would prefer to receive *The Write Line* by mail, just send a message to the editor (rocky@spitfire4.com, or 2731 Scott, Salina Ks. 67401) and we'll keep you on the snail-mail list. Likewise, if we sent you the mailed version but the e-mail copy (in color!) would better meet your preferences, just say so.
