The official newsletter of the Salina Region SCCA

All I can say is WOW! What a great turnout for the Sunflower Solo Showdown in Salina. Yes, it was a hot one and I appreciate everyone sticking it out. Even though Salina did not win, I still think we won in a different way. We have learned and grown a lot as a region this year.

It was great to see some familiar faces at the Showdown. I have only been autocrossing for three years and to see some drivers I met when I first started makes me remember why I keep going out. I know for some reading this, you have been doing it for way longer and even decades. It goes to show it is nice to look back and realize where we all started and have now grown to be better and more involved in the sport.

My first event was Octoberfast of 2019. I was in ST06 and did not know anything about autocross. At the time Timothy Thompson was so kind to ride with me and show me the ropes. All I can remember was him yelling, "Why are you braking?" Ha-ha. Knowing what I know now, I would have accelerated instead of braking before that element. Shortly after, I took a ride with Rocky – well we all know how that ride-along went. 

I have a lot more respect for the fun and handling of a Miata. Do not get me wrong, I still like my boost. Even though that can be my worst enemy.

Hopefully, we are past triple-digit weather. I hope to see everyone at the rest of the season's events. With only five left it will come sooner than you think. At our Zoom board meeting Wednesday we began discussing the Divisional Championship event coming up in October. We're doing it jointly with Kansas Region. Brian Tefft was on to give us a good update.

We're going to try something new – board meetings a few days after the event on Zoom instead of Sunday afternoon. Our meeting this week had the best board attendance of the year! Board meetings are always open to all members if you want to listen in, or even offer comment. Email me before the meeting to get the connection link. My contact info is on Page 2.

Have a fun and safe Labor Day. Some of you will be at the SCCA Solo Nationals that week. Thank you all again, who help make the Salina Region what we are today.

## **MEETING MINUTES**

(Subject to correction and approval at the next Salina Region board meeting)
The board meeting of the Salina Region SCCA was called to order at 7:30 pm Aug
17, 2022 by Asst. RE Rocky Entriken via Zoom. Present were: RE Andlee
Phengphachanh, who took over the meeting shortly after; Hank & Sharon Brillhart,
Chandler Brown, Aaron Loggan, Artt Mann, Monte Rans, Jason Rash, Dennis & Nancy
Smith, and guests Rick Nicholson and Kansas Region solo chair Brian Tefft Jr. Board
member Kale Morris joined in later.

Minutes from the previous meeting – Were reviewed and unanimously approved. Treasurers Report – Was reviewed and unanimously approved.

Old Business - Newsletter email blast – Andlee will continue sending out the blast.

Declined credit cards – One payment over 60 days past due. The person has been removed from the points standings. Another late payment has been taken care of.

Cards are now being charged at check-in.

New Radios – Dennis picked up 6 new radios and multi-port charger to replace aging radios.

Late registration fee – Discussed a late registration fee after Friday evening (for Sunday events) Nancy will check with MSR to determine the process. Brian Tefft volunteered to help Nancy with setting this up.

2023 KKOA Lead Sled Spectacular in Salina – Andlee reached out to KKOA and did not get a response. Tabled for the time being.

Venue for 2022 Awards Banquet – Andlee checking on The Garage.

Trailer inventory for potential insurance – Andlee planning to work on inventory when the opportunity presents. (Targeting MiDiv event)

Trial Membership procedures – Rocky has created a new form and submitted it to the SCCA membership department for approval. Still pending.

New Business – New schedule/Aug 14th event discussion – A few challenges with the hotspot not being set up early enough. High number of participants and shortened check-in time led to check-in running a little over the scheduled time. Also, with the short check-in time, sidebar conversations can be very distracting and should be avoided in the trailer. Worked OK overall, and we will plan to maintain this schedule for the foreseeable future.

Joint Divisional Oct 8-9 (Joint event with Kansas Region; registration is open) – Brian Tefft shared his planning spreadsheet that has been used for previous MiDiv events by Kansas Region. Assigning chiefs and outlining general checklist to help ensure a smooth event.

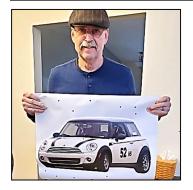

Informative signage at the events – Give guidance to participants on where to go.

Discussed idea for what signage should show.

# Monte and his Mini

The original intent was to give Monte Rans this portrait of him in his Mini as the outgoing Regional Executive and in appreciation for all he's done for our club. But then his move to Indiana happened before the awards banquet.

Nothing was mentioned at the banquet because we didn't want to ruin the surprise knowing he would receive the newsletter. And then it took until now to get a photo.

So thank you, Monte, for your six years (2016-21) as Salina Region's Regional Executive, and best wishes in your new environ.

## **MEETING MINUTES**

**Continued from Page 2** ► ► September ETA for new loaner helmets.

Zoom meetings – Worked well but will try to avoid Wednesdays going forward. Targeting Tuesday after monthly event.

Evans Field restrooms – Were closed for construction during our last event. Andlee checked with Parks & Rec and water is back on now. However, "our" key does not fit the men's room when we tried last weekend.

<u>Open Forum</u> – Look into setting up hotel block for MiDiv event. Andlee will discuss with Brian and take the lead.

Future laptop options to provide dedicated screen for announcer. Next BOD meeting Tuesday Sept 13 @ 7:00 pm, via Zoom. Meeting adjourned at 9:20.

Submitted - Chandler Brown, Secretary

# SOLO SHOMDOMU

Only two events for the Showdown this year after Kansas Region lost its Heartland Park site (they did their first event at a new site near downtown Topeka a week after our Showdown round.). That

did not prevent their successful defense of their 2021 victory.

The REs and solo chairs of the three regions met to revise the series and decided there would be two championships – one

# SUNFLOWER SOLO SHOWDOWN 22.2

Our turn at Sunflower Solo Showdown became our biggest event of the year (so far), with 64 competitors, 50 of them running for the glory of their home regions. And also the hottest event of the year (so far), the mercury just tapping 100 as we picked up the course.

Andlee Phengphachanh's course was a challenging mix of speed and slalom, opening with a series of eyebrows and then what was designed as a stairstep but ended up a straightline blast for most. Slalom up the side, then a wrong-side slalom up the middle to the turnaround. Now that last one turned into a fast right-side slalom, a couple more jinks, then a flyer through a bowtie with rev limiters banging before the final slalom. Only four runs to get it right, which was plenty on a triple-digit day (especially for course workers!).

Five classes were decided by less than one second. The narrowest victory margin was in E Street where Jason Covert's Miata laid down four clean runs but his best was run #2 when he popped a 51.963. Rocky Entriken's Miata, meanwhile, was dirty on his first three runs, a pair of 52s showing what was possible. He closed at 51.989, finally clean but 0.026 sec short of the win.

Up in D Street, Timothy Thompson's Focus RS held the early lead after a pair of 49 sec runs while Jim Monroe's BRZ hung in close with a 49 of his own. Third runs and Monroe collected four cones while Thompson skyed to a 61. Thompson's final try was more of the same but Monroe brought home a 49.1 to take the class by 0.105 sec.

Street Touring Hatch was decided on the third runs. While Greg Cheney was stringing 51s in his Ford Fiesta ST, Josh Huff was posting 50s in his VW Golf R. Only Huff's all had pylons attached added while Cheney was staying off the cones. Both drivers turned their best on run #3, Cheney at 51.1 but Huff managed his only clean run at 50.8 to win by 0.307 sec.

The CAM-Contemporary class featured Ken Stowers, who made the trip from Tulsa, up against Justin Gagna in a showdown of Mustangs. Even with a pylon penalty, Stowers led after first runs, but slipped on his second to let Gagna claim the lead at 52.2. Despite faster times on his final two runs, Gagna left the door open with cones on both of them, but Stowers could get no closer than 0.426 sec on his last try.

Pylons and DNFs dashed Dan Costello's bid to upset Solo Spec Coupe national champion Mason Herrick. Costello's second-run 46.7 had a cone attached, making his best time a 48.7. His third run was a 47.4, but with two cones. Herrick, meanwhile, steadily whittled his times down a few tenths on each run, all of them clean, to close out at 47.8 and taking the SSC win by 0.950 sec.

Only two drivers were able to run quicker than 47 seconds. Mark Hill, scaring the cones all day long, only had one clean run but that one was 45.811 to take fast time of the day in his STU Mitsubishi Evo IX. Ron Williams got down to 46.653 on his second run to win GS in a brand new VW Golf. He coned two faster ones but the clean time was good enough for Top PAX. Three drivers found their way into the 47s, AS winner Frank Wietharn, ZO6; DSP winner Jonathan Griffith, Mazda RX8, and SSC winner Herrick. Griffith's co-driver, April Turner, claimed Fast Lady at 49.462.

# WELCOME NEW MEMBERS

Those old men and women along the road remember. They aren't waving to us. They were waving to the ghosts of those who once drove our cars absolutely as fast as they knew how to go. — Peter Egan, on running the modern Mille Miglia.

We're gonna do a Divisional Championship autocross in October! Mark your calendar. Oct. 8-9!

It sems like forever since we've done one, and yet our last was less than  $2\frac{1}{2}$  years ago, in June of 2020. Thumbing our nose at the COVID malaise, we put on an autocross that attracted 97 drivers from 11 of the Midwest Division's 13 Regions. Only Mid-South (Memphis) and Mississippi were not represented, adequately replaced by competitors from Texas and Lone Star Regions. Much of

SCCA solo had been shut down by the coronavirus and here we had a midsummer celebration of solo that drew eight dozen drivers who'd been deprived of their normal summertime passion.

We'd done one every year since at least 2014, when we presented a Divisional on the Marshall Field helipad at Fort Riley. But now our region feels like it's transitioned to a club of younger members (a good thing!) less familiar with a championship-level event.

We didn't do one last year. Eight regions had bid to do one and three which had not done one in some time were given a chance. Salina and Wichita being in close proximity, it was Wichita's turn. And then we chose not to bid this year, so Wichita did another excellent season opener in the spring.

Kansas Region was to do the finale, but lost their site at Heartland Park. In response, Salina invited Kansas to do their event here at our site, one week later than the original dates, a date we'd already reserved with the city.

So it must be recognized that while this is a joint effort of Kansas and Salina Regions, it is Kansas's expertise leading the way and Salina's site and equipment providing the venue. And our young cadre of new officers and members gaining this golden opportunity to re-learn how to a major event.

For our other, newer, members, please don't be daunted by the words "Divisional Championship." Yes, you'll see a larger than usual entry, and will be exposed to the greater regimentation a larger event requires. You'll have to be registered by the Wednesday before, Oct. 5 (no walk-in entries). You'll find a grid where all cars of a class are parked together.

But on the other hand, it is still "just" a local autocross. SCCA considers it the same as an ordinary

regional solo.

Actually, it is two autocrosses, one on Saturday, one on Sunday. In the MiDiv Championship each day is scored separately for points. In the Salina Region championship – this is still two events of Salina Region's season (also of Kansas Region's season) – the same is also true. This means if you can only make it for one day, you still get full credit for that day. The only thing the combined two-day score counts for is the event trophies given out after Sunday competition.

Registration is already open at motorsportreg.com. www.motorsportreg.com/events/midiv-solo-october-8th-9th-berkley-family-recreation-area-scca-salina-518387. Or just search on MSR for "MiDiv Solo."

Things actually begin on Friday evening. On-site registration and tech begins at 4 pm, and Saturday's

course should be up for coursewalks.
Sunday's course will be set up after
Saturday competition is complete.
There are prayisions for early morning check in

There are provisions for early-morning check-in Saturday and Sunday for those needing it.

Entry fee is \$60. That's actually only \$5 more per day than our usual entry fee. Single Day entry is \$40, with a discount for FSAE entries.

Some may wonder if they're going to get blown away by all these MiDiv champion-level drivers. Oh, there'll be a few, but most of them are just like you and me, trying to

find a few more tenths.

And Salina drivers have already seen the likes of Ron Williams, Laney and Russell Blume, Mason Herrick, Mark Hill, national champions all.

They say to be the best you've got to beat the best.

The whole idea of a championship beyond hometown borders began in MiDiv, with an event in Oklahoma City

in December 1966. There were 42 drivers from as far as New Mexico (then part of MiDiv) in seven classes.

Other Divisions picked up on the idea. Then a National Championship was proposed, and SCCA mandated that all seven Divisions (it's nine now) should do a Divisional Championship event in 1972, in preparation for the first Solo Nationals in 1973.

In 1975 the Solo Nationals came to Salina for the first time, on our site then just called Airport Park. One course at the north end, one at the south end (there were no ballfields then), with the cars of 296 drivers paddocked in between. In all Salina would host Nationals 15 times, six at Airport park, nine across town at the former SAC base.

Meanwhile the MiDiv Championship, originally a one-shot showdown, became a six-event series in 1989. In years since it has sometimes been as few as three events, but usually, preferably, scheduling five rounds.

IT'S EASY. GO TO WWW.SCCA.COM AND CLICK ON JOIN SCCA TODAY!

National membership includes a "local" region of your choice. This becomes your Region of Record. Normally your RoR is the area in which you live, but it doesn't have to be. We have members who live in other Regions' territories, and some of those regions have members who live in our territory.

You may also join as many other regions as you like, paying their local dues for the purpose of winning local championship points and participating in their programs. These are "Associate" or "Dual Region" memberships. Salina Region's Associate Members are fully-vested members eligible for all our championships, voting rights, region offices and other member benefits. Associate membership only means region-of-record is elsewhere.

You <u>must</u> be a member to enter SCCA events. There are several different types of membership available, including Regular, Family, First Gear (under 25) and Military, plus short-term Trial (free) and Weekend (\$15) Memberships. Questions? Call Salina Region membership chair Rocky Entriken at 785-827-5143 or e-mail rocky@spitfire4.com.

- Associate Memberships in Salina Region expire concurrent with National and Region-of-Record memberships. All Associate memberships paid direct to Salina Region are notified to SCCA Membership and expire on their National expiration date. Associate members are fully-vested members of Salina Region, although their Region-of-Record is elsewhere.
- Annual dues are \$15.00 both for single memberships and for family memberships (which includes spouse).
- To become an Associate Member of Salina Region, contact SCCA Membership (call 1-800-770-2055) and ask to be included as a member in Salina Region. The Region's dues will be paid at that time and added to your renewal fees.
- Or, at renewal time, renew online and you will find an option to "Add Region." Scroll down to find Salina Region in the drop-down menu.
- If you choose to pay dues direct to Salina Region (for example, at an event), we will notify SCCA and your Salina Region membership will become part of your National membership renewal.
- Mailed subscriptions are available to non-members, \$15 for the calendar year.
