

FT. RILEY AUTOCROSS

11-22-09

**** Fast Time of Day
 *** Fast Fender
 **Fast Lady — Fast Soldier

NOTE: Because timing delays and an early sundown forced us to shorten the program to only three runs for the last two heats, only three runs count for everybody. Run 4, for those who had them, is shown so you can know your times but does not count. Because the course was changed during the first heat, those drivers originally were given five runs. Their first run is not shown. *Military competitor T = Trophy
